COMMUNITY PARTICIPATION PROGRAMS
REENA COMMUNITY PARTICIPATION OPTIONS
For over 45 years, Reena has developed and promoted community participation for persons with a developmental disability. Reena emphasizes programming within a Jewish environment, while encouraging the expression of everyone’s culture and beliefs. This helps the individuals we support to foster their spirituality and sense of belonging so that they may feel connected to their roots, culture and community.

LOOKING FOR QUALITY COMMUNITY PARTICIPATION PROGRAMS?
Our program activities are designed to improve social skills, self esteem, volunteering and employment supports, allowing each person to reach their full potential. With locations in Toronto and York Region, Reena offers multiple Day options to over 180 individuals with a developmental disability. Activities incorporate augmented communication styles and are structured so that participants can learn through hands on and social interactions. A variety of large and small group programs offers a support level and environment that meets the specific abilities, interests and strengths of the individual.

REENA COMMUNITY RESIDENCE
**CHANNELS**

This vocational program is designed for independent adults aged 18 and older. The program helps participants achieve their work and life goals in a fun and stimulating atmosphere. Channels offers employment supports and life skills workshops, volunteer placements, cooking classes and weekly community outings.

You can attend for the number of full and/or half-days per week that meet your needs.

“We selected Reena and we have never for one moment regretted our decision. The front line staff that work with our son are amazing! They are always looking for creative ways to engage him in activities.”
- Reena Family Member
Located near Bathurst and Steeles, the Battle Centre offers a wide variety of community-based programs. It has a gym, greenhouse, multi-sensory room, and a variety of program rooms. Fun and flexible programs are tailored for diverse individuals who require a well-supported environment, including those with complex behavioral needs. Participants are paired according to their strengths, and programming is geared to help meet target goals and objectives.

These full-day program options promote life and social skills through a variety of individual and group recreational and leisure activities which include volunteering, meals-on-wheels, art and crafts, music appreciation, dance, karaoke, physical fitness and visits to local attractions.

You can register for the number of days per week that meet your needs. Extended hours are available on a fee-for-service basis.
