

CANADA- ISRAEL INCLUSION MISSION 2020

July 6 – 14, 2020

Reena and Israel4all are excited to invite you to the 2020 Inclusion mission to Israel.

This mission will foster collaboration between leading service agency providers, policy makers, donors, board members and those whom they support. Together we will explore inclusion models in Israel, what we can learn from them and how we can apply our knowledge to future potential models of support and inclusion.

The 8-day itinerary enables us to connect with individuals, activists, companies and initiatives in the field of accessibility and inclusion in Israel. In addition, we will tour the magical country of Israel including accessible sites. We'll travel from the green north to the southern desert and explore some of Israel's gems like Nazareth and Jerusalem.
