

## **INSTRUCTIONS FOR CONDUCTING COVID-19 EXIT SCREENING – Revised June 18, 2020**

Attention All Staff:

The COVID-19 Exit Screening form has been revised.

### What are the changes

- Effective June 18, 2020
- Revised form: COVID-19 Exit Screening
- Directives for answering yes to COVID-19 symptoms, staff and essential visitors are to contact their supervisor and seek testing

### What has not changed

- Entry screening (a.k.a. telephone screening prior to entry) remains
- Individual twice daily temperature checks and symptom monitoring remains
- At the end of shift or visit, staff and essential visitor will complete the self-assessment questionnaire
- To be done immediately before the removing mask at end of shift procedure

### Answering YES to screening (positive screening)

Staff or essential visitor who develops signs and symptoms of COVID-19 or answer YES to the EXIT screening questionnaire at the end of shift/visit must notify the supervisor/on-call supervisor/employer immediately. The staff or essential visitor should go home, self-isolate and seek COVID-19 testing ASAP. Staff or essential visitor should not return to the location without the approval from the supervisor.

### How to self-isolate before going to assessment centres for testing:

- Go home and stay home (do not use public transportation, taxis or rideshares)
- Stay as much as possible in a separate room way from others (especially seniors and people with chronic medical conditions)
- Continue with physical distancing two metres away from others, wear a mask and wash your hands with soap and water
- Tell anyone whom you had close physical contact in the two days before your symptoms started or after symptoms started to also self-isolate
